INSTALLATION INSTRUCTION

## 1   Kit content

FACT Brackets
(FACT-BPLATE-19" W / H ETSI-2E-S)
(FACT-BPLATE-19" W / H 19" / ETSI-4E-S)
•   2 Brackets
•   1 Set cage-nuts with screws

2   Installation

2 Elements

4 Elements

2.1   Determine the position of the shelf. Fix the cage nuts into the correct mounting positions (see point 3).

2 Elements

4 Elements

2.2   Mount the bracket, using the Allen-Key. Install additional brackets gaplessly. Don't fully tighten the screws yet (otherwise no adjustment possible).

2 Elements

4 Elements

2.3   Final bracket installation (both sides).

2.4   Install FACT elements and tighten all 2 (2 elements) / 4 (4 elements) screws onto the mounting brackets.
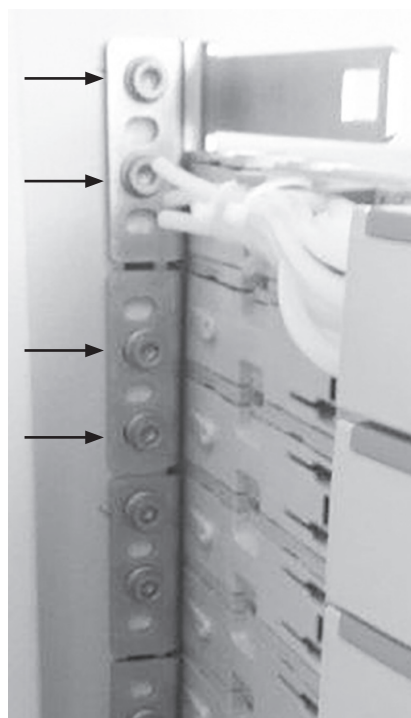

4 Elements

3.2   Final position of the cage nuts for 4 element brackets

3   Cage nut positions

2 Elements

3.1   Final position of the cage nuts for 2 element brackets

4   Tools

Special tools are not needed.
Only a 5mm Allen-key is needed.
Both tools can be ordered separately.
